

**STUDENT NAME:** \_\_\_\_\_

**SCHOOL:** \_\_\_\_\_

**MEDICAL TERMINOLOGY**  
**Performance Skills Evaluation Score Sheet**

- 1. Interpret and extract information from realistic medical documents**  
(Students should be given a variety of simulated medical documents and must show that they are able to interpret and extract medical information from them.)

Assignment	Date	Grade
Medical Document Assignment(s)		

- 2. Use medical reference books**  
(Students must show that they are able to appropriately use a medical reference book(s) to find related information.)

Assignment	Date	Grade
Medical Reference Book(s)		

- 3. Apply medical terminology to a real-life setting**  
(Students must show that they can appropriately use medical terminology in a “real-life” setting. Examples might be defining medical terms heard in a television show or read in a newspaper article.)

Assignment	Date	Grade
Medical Terminology in Real Life
